SERVICE HISTORY

Covid-19 Update on Trading We are very keen to keep staff and customers safe in these trying times, so we are amending the way we carry out our business; providing alternative ways to view and purchase your new car. Private viewings for a maximum of two people in open air to comply with social distancing and payments accepted by debit card or bank transfer. Contactless purchase with no visit or risk. All cars have over 20 photographs on line and we can also offer a live walk round video supplied on WhatsApp. Payments on this option are by bank transfer only. We then offer free delivery for all local purchases and a pay for delivery service for those who live further away. Both our own deliveries and delivery companies will fully comply with social distancing rules and also wear protective gloves and all surfaces will be cleaned with alcohol/disinfectant wipes after the vehicle has been delivered.
